

THERMAL BINDING COVERS

Aquarium

Aquarium covers spine is made from linen textured paper quality — available in three colours as standard.

All covers come with a strip of glue in the spine and pre-scored hinges in front and back.

Aquarium Cover comes with a transparent front and rear — in other words the cover reveal the content of both the first and last sheet without the need to open the document.

The textured paper quality cover is both elegant and durable — binding up to 540 sheets.
